Dear Sir:

This is to confirm telephone conversation of June 17, 1948 between Captain Hamaker, Bureau of Supplies and Accounts, and Mr. Hollingsworth and Mr. Beyer of the Atomic Energy Commission.

With reference to Dr. Warren's June 14 letter to you requesting Navy support of a radio-biological survey of the Bikini Lagoon, upon submission of a Standard Form 1080, this office will advance not to exceed $20,000 for the support of this expedition. This advance will be made in lieu of charging the $20,000 to the appropriation transfer made to you for Operation SANDSTONE as outlined in our June 16 letter.

Very truly yours,
