Dear Bill:

Thank you for your kind letter and your trip report. I retaliate by sending you a trip report of my own.

The meeting I refer to towards the end of the report will take place as soon as Liktanur returns to port, and Ted will fill you in on the details when he comes to Honolulu next week.

I plan to go to Majuro again on 10/13, returning to Kwajalein on 10/21. Thereafter I hope to stay put here until we leave for Rongelap in December. There is so much I want to get started on Ebeye.

Liv sends her best regards. We both hope for an opportunity to see you again soon.

Yours

Knud Knudsen
