SUBJECT: Renewal of Thermal Project Contracts

HRE-0550

TO: Chief of Naval Research, Department of the Navy, Washington 25, D. C.

1. The Armed Forces Special Weapons Project desires to continue its support of the project being carried out at the Hahnemann Medical College in Philadelphia by Dr. Jay S. Roth, entitled "Investigation of Some Physiological Effects of Burns" contract number Nonr 426 (00), for a one-year renewal, to the extent of $25,000.

2. The AFSWP also desires to continue its partial support of the project being carried out at the Medical College of the State of South Carolina by Dr. M. H. Knisely, entitled "Research on the Pathologic Physiology and Experimental Therapy of Burned Animals and Man" contract number Nonr 434 (01), for a one-year renewal, to the extent of $11,000.

3. Funds in the amount of $36,000 to cover these two projects will be transmitted to the Office of Naval Research upon presentation of a voucher for transfer between appropriations and/or funds, Standard Form 1080.

4. It is requested that the AFSWP be furnished six copies of any progress or final reports on these projects and also copies of NDB Forms 1A which should contain an indication of AFSWP support.

FOR THE CHIEF, AFSWP:

H. C. DONNELLY
Colonel, USAF
Chief of Staff

MEMORANDUM FOR THE RECORD:

Both projects approved for continued support by the AFSWP Panel on Thermal Radiation. [illegible] Commander. "Investigation of Medical Aspects of Thermal Injury" [illegible] 1952 funds.
