16 October 1946.

Subject: Formal Approval of Monsanto Biological Research at Dayton.

MEMORANDUM to The District Engineer, Manhattan District, Oak Ridge, Tenn.

1. At a meeting of the Medical Advisory Committee on 5-6 September 1946, Colonel S. L. Warren brought before the group the subject proposal referred by the Washington Office for approval. Inclosed are copies of a letter addressed to your office by Dr. Thomas of the Monsanto Chemical Company and a photostat of a letter addressed to Dr. Haring, Monsanto Chemical Company from Dr. Svirbely of the Industrial Hygiene Research Laboratory at Bethesda, Maryland.

2. The desired research contract was approved at the Committee meeting.

3. Colonel Warren, in a telephone conversation with your office, affirmed the opinion of the Medical Advisory Committee. The undersigned was advised by Colonel Warren that the proposed contract would be approved.

4. Captain B. S. Wolf recently stated that Dr. Svirbely had accepted the position as head of the research group.

5. It is requested that formal approval of this contract be granted in order that an amendment to the contract with the Monsanto Chemical Company can be negotiated.
