MEMORANDUM TO MR. CORLEY:

Dr. Nello Pace's Contract N7onr-295, Task 4, covering the phase of work on White Mountain, is to receive ONR support by Amendment 10 in the amount of ~~$13,220.~~ $10,000

The Regents authorized execution of this amendment on ~~February 9,~~ Aug 25 1950 and we have just received telephone confirmation from Washington through ONR San Francisco that this amendment is being drawn and will be mailed immediately.

Inasmuch as Mr. Lundberg has stopped all expenditures for the White Mountain project, it is essential that we obtain authorization to accept costs while waiting for the subject amendment. I therefore request that you instruct Controller Lundberg to set up accounts to cover this additional work.
