Dr. Lauren R. Donaldson, Director
University of Washington
Applied Fisheries Laboratory
Fisheries Center
Seattle 5, Washington

Dear Lauren:

We have all the samples recently submitted by you -- all in process or farmed out to the commercial laboratories for strontium analysis. You will get a copy of the results as soon as they are complete.

I appreciate your statement that someday we should try to look this stuff over; however, the samples come in faster than my brain can function.

Sincerely,

John H. Harley, Chief
Analytical Branch
Health and Safety Laboratory
