

Study Group B

Molecular, Crystallographic, and Defect Structures in Conducting Polymers

Chairman

R.H. Baughman                      Allied - Signal Inc.

Study Group Members

C.E. Brown                              Medical College of Wisconsin

R.R. Chance                              Allied - Signal Inc.

L.Y. Ho                                      Polytechnic Institute

Z. Iqbal                                      Allied - Signal Inc.

B.A. Olalik                                  Ohio State University

D. Sandman                                  G.T.E. Laboratory

G. Tourillon                                  Brookhaven National Laboratory
