

4.1.6	Return on the DOE Investment.....	32
4.1.7	Future Directions	33
4.1.8	Sources of Information.....	33
4.2	SOLID-STATE BALLASTS FOR FLUORESCENT LIGHTING	
4.2.1	The Innovation.....	34
4.2.2	The DOE Role.....	35
4.2.3	Market Penetration	38
4.2.4	Energy Savings.....	40
4.2.5	Return on DOE Investment.....	40
4.2.6	Barriers to Further Penetration	41
4.2.7	Future Directions	42
4.2.8	Sources of Information.....	42
4.3	UNEQUAL PARALLEL COMPRESSOR SYSTEMS FOR SUPERMARKET REFRIGERATION	
4.3.1	The Innovation.....	43
4.3.2	The DOE Role.....	45
4.3.3	Market Penetration	47
4.3.4	Barriers to Further Penetration	49
4.3.5	Spinoff Applications and Future Use.....	51
4.3.6	Sources of Information.....	51
4.4	FLAME RETENTION HEAD OIL BURNER	
4.4.1	The Innovation.....	52
4.4.2	Initial Barriers to Adoption.....	53
4.4.3	The DOE Role.....	54
4.4.4	Market Penetration and Energy Use.....	55
4.4.5	Facilitating Factors.....	57
4.4.6	Future Direction.....	57
4.4.7	Sources of Information.....	57
4.5	DOE-2	
4.5.1	The Innovation.....	58
4.5.2	Funding.....	59
4.5.3	Time Line.....	60
4.5.4	Spinoffs.....	62
4.5.5	Future Development.....	65
4.5.6	Sources of Information.....	65
5.	CASE STUDIES OF SEMI-COMMERCIALIZED TECHNOLOGY	
5.1	DIELECTRIC COATING FOR LIGHTING FIXTURES	
5.1.1	The Innovation.....	67
5.1.2	The DOE Role.....	67
5.1.3	Market Penetration	69
5.1.4	Facilitating Factors.....	69
5.1.5	Barriers to Further Penetration	69
5.1.6	Future Directions	70
5.1.7	Sources of Information.....	70
5.2	HEAT PUMP WATER HEATER	
5.2.1	The Innovation.....	70
5.2.2	The DOE Role.....	72
5.2.3	Market Penetration	74
5.2.4	Information Dissemination.....	77
5.2.5	Barriers to Further Penetration	78
5.2.6	Facilitating Factors.....	79
