

Fig. 4.4. The distribution system for DOE-2.
(Source: Winkleman, 1988)

DOE-2 User News. During FY 1987, LBL provided instruction during a five-week training course in different technologies including DOE-2 and PC-DOE.

According to LBL, the use of DOE-2 is fast expanding (Winkleman). The users of DOE-2 range from researchers and academicians to private manufacturers.

Figure 4.5 provides a general overview of the numerous beneficiaries.
