

Appendix F: DOE BER Program

Text and photos in this appendix first appeared in a brochure prepared by the Human Genome Management Information System for the DOE Office of Biological and Environmental Research to announce a symposium celebrating 50 years of achievements in the Biological and Environmental Research Program. "Serving Science and Society into the New Millennium" was held on May 21–22, 1997, at the National Academy of Sciences in Washington, D.C. The color brochure and other recent publications related to BER research, including the historically comprehensive A Vital Legacy, may be obtained from HGMIS at the address on the inside front cover.
