

NOTICE

This report was prepared as an account of work sponsored by the United States Government. Neither the United States nor the United States Energy Research and Development Administration, nor any of their employees, nor any of their contractors, subcontractors, or their employees, makes any warranty, express or implied, or assumes any legal liability or responsibility for the accuracy, completeness or usefulness of any information, apparatus, product or process disclosed, or represents that its use would not infringe privately owned rights.

SOME LONG-RANGE SPECULATIONS ABOUT COAL

Alvin M. Weinberg and Gregg H. Marland

This report is based on work performed under Contract EY-75-05-0033 between the U.S. Energy Research and Development Administration and Oak Ridge Associated Universities.
