

## *Connecting People and Research*

[www.osti.gov/EDUconnections](http://www.osti.gov/EDUconnections)

Visit the **.EDUconnections** website to discover university and community college research departments and libraries nationwide that connect to DOE research. You will find a wealth of opportunities, tools, and resources for institutions, researchers, faculty, and students.

Learn about:

- DOE research commitment
- DOE funding portfolio
- DOE research grants
- DOE internships, fellowships, and scholarships

**See what's in**

*The Spotlight*

Each month, **.EDUconnections** features a university or community college supporting and advancing U.S. Department of Energy scientific research and discovery.

Learn about:

- Professors of Interest
- Exceptional Students
- Science & Educational Initiatives

Download the **.EDUconnections** widget for one-stop access to DOE, U.S., and international research resources.
