Science

OSTI now offers free downloadable **MARC records** of DOE Scientific and Technical Information included in the **Information Bridge** (www.osti.gov/bridge).

Download full-text reports and bibliographic citations by:

- Publication year
- Individual Records
- Subject category
- DOE National Laboratory Name

The **Information Bridge MARC Records** are derived from over 280,000 existing Information Bridge records. Documents primarily from 1991 forward with selective coverage back to 1948.
