ACKNOWLEDGEMENT

This report was compiled by Wendy Durocher from REPTS, the AECL Research database of scientific and technical reports, also maintained by Wendy. Her efforts are warmly acknowledged.

RÉSUMÉ

EACL Recherche est engagé dans la recherche et le développement associés aux applications pacifiques de l'énergie nucléaire. La mission de la société est particulièrement d'exécuter la recherche, le développement, la démonstration et la commercialisation nécessaires pour appliquer les sciences nucléaires et leurs techniques connexes dans l'intérêt maximal du Canada. Les rapports et publications scientifiques et les communications de conférences font partie de nos produits les plus importants. Le présent document énumère nos publications de 1993.

ABSTRACT

AECL Research is engaged in research and development related to the peaceful applications of nuclear energy. Specifically, the company's mission is to perform the research, development, demonstration and marketing required to apply nuclear sciences and their related technologies for the maximum benefit of Canada. Among our most important products are scientific reports, publications and conference presentations. This document lists our publications for 1993.

INTRODUCTION	<u>Page</u>
HOW TO ORDER AECL PUBLICATIONS	
PRICING INFORMATION	
PUBLICATIONS:	
A. <u>General</u>	1
- conference proceedings (where papers included are on a variety of topics); public relations and employment office brochures; selected talks by senior AECL officers	
B. <u>Life Sciences</u>	1
- biochemistry; ecology; genetics; health physics; medicine; radiobiology; radiosterilization and radiopreservation; safety	
C. <u>Chemistry</u>	3
- analysis; inorganic, organic and physical chemistry; radiation and nuclear chemistry; radiochemistry; separation processes (chemical)	
D. <u>Engineering</u>	5
- facilities and equipment; heat transfer and fluid flow; isotope technology; materials testing; radioactive material handling	
F. <u>Earth Sciences</u>	5
- geology, hydrology, meteorology, mineralogy	
H. <u>Electronics, Instruments and Devices</u>	8
- dosimeters; electronic and process instruments - design, testing and theory; radiation detectors; radiation effects on instruments or their components; radiometric instruments	
I. <u>Metals, Ceramics and Other Materials</u>	8
- corrosion and erosion; preparation or fabrication; radiation effects; structure and properties	
J. <u>Mathematics and Computer Programs</u>	11
K. <u>Physics</u>	11
- cosmic radiation studies; direct energy conversion; nuclear properties and reactions; particle accelerators; solid-state, theoretical and plasma physics; scattering theory; shielding	
L. <u>Reactor Technology</u>	15
- reactor physics (theory and application); nuclear power reactors, research reactors and critical assemblies (components, control, fuels, etc.)	
M. <u>Waste Management</u>	16
- treatment, storage and disposal of radioactive and other wastes

INTRODUCTION

Cette liste comprend tous les documents scientifiques et techniques d'EACL Recherche (rapports techniques, tirages à part d'articles de revues et de comptes rendus de conférences) publiés entre 1993 janvier et 1993 décembre. Avec les listes cumulatives précédentes (AECL-5000, AECL-5001, AECL-5002, AECL-5003, AECL-5004, AECL-5005, AECL-5006, AECL-5007, AECL-5008, AECL-5009, AECL-5010 et AECL-11000), elle constitue un catalogue complet des publications de la série AECL. Les rapports techniques sont disponibles pour la vente.

Les titres et autres renseignements bibliographiques se classent dans plusieurs catégories, chacune d'elles étant consacrée à une discipline générale. En outre, chaque document est identifié par un numéro AECL (par exemple, AECL-12345) dont on doit se servir pour commander des rapports et demander des renseignements.

MARCHE A SUIVRE POUR COMMANDER LES PUBLICATIONS DE L'EACL

On peut commander des rapports aux prix indiqués aux pages suivantes. Le paiement doit s'effectuer lors de la passation de la commande.

Le paiement doit être par chèque bancaire ou mandat-poste, en devises canadiennes ou américaines, à l'ordre d'EACL Recherche.

Envoyer toute commande à:

INTRODUCTION

This list includes all the scientific and technical publications of AECL Research. This includes both technical reports and reprints of journal articles and conference proceedings issued from 1993 January to 1993 December. Together with the earlier cumulative lists (AECL-5000, AECL-5001, AECL-5002, AECL-5003, AECL-5004, AECL-5005, AECL-5006, AECL-5007, AECL-5008, AECL-5009, AECL-5010 and AECL-11000), it provides a complete catalogue of publications in the AECL-series. The technical reports are available for sale.

The titles and other bibliographic information are arranged in several categories, each devoted to a broad subject area. In addition, each document is identified with an AECL number (for example, AECL-12345) which should be used in ordering reports and making enquiries.

HOW TO ORDER AECL PUBLICATIONS

Reports are available at the prices shown on the following page. Payment must accompany your order.

Payment should be made by cheque or postal money order in Canadian or U.S. funds and made payable to AECL Research.

Send orders to:

Scientific Document Distribution Office

RENSEIGNEMENTS SUR LES PRIX

Le prix actuel des publications correspond au code de prix du tableau ci-dessous.

CODE DE PRIX	PAGES	PRIX
a	1- 40	10\$
b	41-100	14\$
c	101-150	18\$
d	151-200	21\$
e	201-300	28\$
f	301 +	35\$

La reproduction par microfiche coûte 4,00\$ le document, frais d'envoi par la poste compris.

On peut également se procurer les rapports de la série AECL à mesure qu'ils sont publiés en passant une commande permanente auprès du Service de Distribution des Documents Scientifiques à l'adresse figurant à la page précédente. Ils sont disponibles pour la vente sous forme de série complète ou par catégorie de matière. Nous vous facturerons sur une base semestrielle.

PRICING INFORMATION

Publications are currently priced according to the codes in the table below.

PRICE CODE	PAGES	PRICE
a	1- 40	\$10
b	41-100	\$14
c	101-150	\$18
d	151-200	\$21
e	201-300	\$28
f	301 +	\$35

Microfiche are also available at a price of \$4.00 per document. The price includes postage.

Reports in the series may also be obtained as they are published by establishing a standing order with the Scientific Document Distribution Office at the address on the previous page. They are available as a complete set or by subject category. You will be invoiced semi-annually.

ISBN 0-662-15791-8

ISSN 0067-0367

To identify individual documents in the series, we have assigned an AECL- number to each.

Please refer to the AECL- number when requesting additional copies of this document from:

Scientific Document Distribution Office (SDDO)
AECL Research
Chalk River, Ontario
Canada K0J 1J0

Fax: (613) 584-1745

Tel.: (613) 584-3311
ext. 4623

Pour identifier les rapports individuels faisant partie de cette serie, nous avons affecté un numéro AECL- à chacun d'eux.

Veillez indiquer le numéro AECL- lorsque vous demandez d'autres exemplaires de ce rapport au:

Service de Distribution des Documents Officiels
EACL Recherche
Chalk River (Ontario)
Canada K0J 1J0

Fax: (613) 584-1745

Tél.: (613) 584-3311
poste 4623
