Connecting People and Research

www.osti.gov/EDUconnections

Visit the **.EDUconnections** website to discover university research departments and libraries nationwide that connect to DOE research. You will find a wealth of opportunities, tools, and resources for institutions, researchers, faculty, and students.

Learn about:

- DOE research commitment
- DOE funding portfolio
- DOE research grants
- DOE internships, fellowships, and scholarships

See what's in

The Spotlight

Each month, **.EDUconnections** features a university supporting and advancing U.S. Department of Energy scientific research and discovery.

Learn about:

- Professors of Interest
- Exceptional Students
- Science & Educational Initiatives

Download the **.EDUconnections** widget for one-stop access to DOE, U.S., and international research resources.

Contact OSTI to learn more about free web resources for your education programs.
