

SCIENCE Accelerator

Search key science resources

www.ScienceAccelerator.gov

www.ScienceAccelerator.gov/dataexplorer

Locate DOE scientific research data collections.

www.ScienceAccelerator.gov/greenenergy

Find DOE green energy research results.

www.ScienceAccelerator.gov/accomplishments

Find significant outcomes of past DOE research and development.

<http://TechnologyTransfer.energy.gov>

Search DOE laboratory technology transfer websites and databases.

www.ScienceAccelerator.gov/doepatents

Access patents resulting from DOE-sponsored research and development.

www.ScienceAccelerator.gov/estsc

Find scientific and technical software representing the latest in DOE-funded technology.

www.ScienceAccelerator.gov/eprints

Find journal article pre-publication drafts, scholarly papers, and more.

www.ScienceAccelerator.gov/scienceconferences

Find science and technology conference papers and proceedings.

www.ScienceAccelerator.gov/journals

Access scientific journal resources publicly available on the web.

www.ScienceAccelerator.gov/soaj

Search a federated gateway to scientific open access publications.

www.ScienceAccelerator.gov/sciencecinema

View multimedia videos about DOE and other science research.

www.ScienceAccelerator.gov/scitech

Search full-text DOE documents and bibliographic records.
