

U.S. Department of Energy Science Resources

Science, technology, and engineering research information from the U.S. Department of Energy (DOE)
www.osti.gov/scitech

Scholarly scientific publications resulting from DOE-funded research
www.osti.gov/pages

Scientific research data resulting from DOE-funded research
www.osti.gov/dataexplorer

Scientific videos featuring leading-edge research from DOE
www.osti.gov/sciencecinema

Patents resulting from DOE-sponsored research
www.osti.gov/doepatents

Remarkable accomplishments in science resulting from past DOE research and development
www.osti.gov/accomplishments

DOE-sponsored scientific and technical software from the Energy Science and Technology Software Center
www.osti.gov/estsc

A gateway to millions of e-prints in basic and applied sciences
www.osti.gov/eprints

Science resources and other information from across the DOE complex
www.osti.gov/nle

U.S. Federal Science Information

A gateway to over 2,200 scientific websites, 60 scientific databases, and 200 million pages of U.S. science information
www.science.gov

Global Science Information

An international gateway to approximately 100 national science collections from more than 70 participating nations
worldwidescience.org

Over 1,000 websites and databases with energy-related content, from both current and retrospective collections
worldwideenergy.org
