NOTE: Cy. 1, DOC-1 - Sent with Commission Memo fm. C. L. Marshall - *destroyed*⁵
 Cys. 2-9, DOC-1 - Sent to Laser Classification Panel

MAY 11 1971

Dear

Enclosed for your information are the LRL and DOD comments on the Laser Classification Panel's preliminary response to the Commission. In the DOD letter Dr. Walske states that although Dr. Foster has not read his letter of reply, since he is presently in Europe, the subject has been discussed at some length with him and Dr. Foster is in general agreement with the views expressed by Dr. Walske in his letter. Other responses will be furnished when they are received.

Sincerely,

G. L. Marshall

G. L. Marshall, Director
 Division of Classification
