MAY 11 1971

Dear

As promised in my letter to you dated April 21, 1971, I am forwarding the LRL and DOD comments on the Panel's preliminary response to the Commission. In the DOD letter Dr. Walske states that although Dr. Foster has not read his letter of reply, since he is presently in Europe, the subject has been discussed at some length with him and Dr. Foster is in general agreement with the views expressed by Dr. Walske in his letter. As other replies are received, I will send them to you.

Sincerely,

J. L. Marshall
