UNCLASSIFIED CONTROLLED  
NUCLEAR INFORMATION

*1p;* DOES NOT CONTAIN OUD per HS92

The second meeting of the Laser Classification Panel has been scheduled for 9:00 a.m., May 21, 1971 in Room 1062 of the AEC's H Street Office. The Commission has been informed of this and the suggestion has been made that they meet with the Panel at the start of the meeting.

To date no comments have been received on the preliminary views concerning laser classification which the Panel expressed in the letter to the Chairman of the Commission dated February 5, 1971. We have asked the following individuals to whom copies of the letter were sent to provide us with their comments by April 10. Replies will be sent to you as they are received.

- Dr. J. A. Hornbeck, President, Sandia Laboratories, New Mexico
- Dr. Harold Agnew, Director, LASL, New Mexico
- Dr. Michael M. May, Director, LLL, Livermore, California
- Dr. Warren C. Johnson, University of Chicago
- Dr. Eugene Eyster, LASL, New Mexico
- Mr. Robert W. Henderson, Sandia Corporation, New Mexico
- Mr. Paul R. Vanstrum, Union Carbide Corporation, Oak Ridge
- Major General E. B. Giller, Assistant General Manager  
for Military Application, AEC, HQ
- Dr. Paul W. McDaniel, Director, Division of Research, AEC, HQ
- Honorable Carl Walske, Assistant to the Secretary of Defense  
for Atomic Energy, Department of Defense
- Honorable John S. Foster, Jr., Director of Defense Research  
and Engineering, Department of Defense

I look forward to seeing you on the 21st.

Sincerely,

The above letter was sent to all the  
Laser Panel members.

C. L. Marshall, Director  
Division of Classification
