NOTE TO LES GOLDMAN

Attached is a bill in the amount of \$65.36 from the 89th Military Airlift Wing, Andrews Air Force Base, for in-flight expenses for Special Mission 672 on September 20, 1977, from Washington, D. C. to Canada.

I was under the impression that this billing was taken care of as the normal procedure is for in-flight expenses to be paid at the time of the mission.

I would appreciate your taking the necessary action to see that this bill is paid.

If you have any problems with the payment of this bill let's get together and discuss.
