Dear Dr. Blair:

The Armed Forces Special Weapons Project has been requested by the Military Liaison Committee to the Atomic Energy Commission to sponsor a Joint AEC-DOD Study Group to review the technical aspects of radiological warfare. Dr. Noyes of the University of Rochester has consented to serve as Chairman of this group, and Dr. Bale has consented to serve as a member.

Dr. Noyes and Dr. Bale have suggested to me that you could help the study materially by advising the group on certain aspects of the problem of the effects of whole-body irradiation on man. Your participation in this study will be greatly appreciated, and I wish to take this opportunity to ask you to serve as a member of the Study Group.

Sincerely,

*Major*

M/R: Self-explanatory. Dr. Blair was given the details on the Study Group on 23 June by Dr. Bale.
