R. M. Meetings

560

29 February 1948

Dr. Harry Whipple
P.O. Box 1663
Santa Fe, New Mexico

Dear Dr. Whipple,

The rough copy of the minutes of our meeting at Los Alamos has been reviewed by Comdr. Winant, Mjr. Stone and others here at Terminal Island. The only correction which they had to offer was to change Lt. Col. Beeler's rank which is erroneously listed as Colonel. With this change and the approval of Dr. McLain it would appear that the minutes could be distributed to those present.

I think the meeting was very worth while and we should like to express our appreciation for your assistance in organizing it.

Sincerely yours,

Herbert Scoville, Jr.
