Miss Mary C. Lyons, Editor
 Wellesley Alumnae Magazine
 Wellesley College Alumnae Association
 Wellesley, Mass., 02181

Dear Miss Lyons:

Enclosed is the article I agreed to write for the Alumnae Magazine, along with a picture of our Laboratory and a picture of the Operation Crossroads, Shot Baker underwater burst. The task of decontaminating the target ships that were exposed to the base surge of Shot Baker initiated the establishment of the Laboratory, as the article indicates. Therefore this particular picture of a nuclear explosion seems appropriate.

Details of my work are classified. However, the enclosed article should be of general interest and is, I trust, suitable for the Bulletin. It has been reviewed by the Laboratory and approved for publication.

Sincerely,

(Mrs.) Ruth W. Shnider
