

AUG 5 1974

*Human
Hudson*

*7/1/74
71-1
7114*

From: Secretary of the Navy (ASN(R&D))
To: Commander, Naval Sea Systems Command

Subject: Authorization to utilize human volunteer test subjects
in vibration acceleration tests simulating surface
effect ships operating environments

Ref: (a) COMNAVSEASYS COM ltr PMS-304-40A:JMV:et Ser 4252
of 2 Jul 1974
(b) SECNAVINST 3900.39 of 28 Apr 1969

Your request, reference (a), has been reviewed and the
use of human volunteer subjects is approved. The conduct
of this evaluation program is timely and necessary.

The procedures described in reference (b) for obtaining
the informed consent of the volunteers must be carried out
and all safety precautions required are to be taken.
