

17 MAY 1953

Dr. James B. Conner
Chief, Department of Neurology
National Naval Medical Center
Bethesda, Maryland

Enclosed is a report on the separate cover, 50
pages, of a study of the clinical and
pathological aspects of the syndrome of nerve
inflammation, which is being prepared and
published by the Navy Medical Research Institute.

Very truly yours,
J. B. Conner

Captain E. F. Strauss, MD, USA
Medical Officer in Charge
Naval Medical Research Institute
National Naval Medical Center
Bethesda 14, Maryland

Dear Captain Strauss:

We thank you for the reprints of Commander
Strauss's paper on "A Critical Analysis of the
Pathogenesis of Acute Toxicity Radiation Illness,
Its Role in Acute Myeloid and Its Influence on
the Clinical Practice of Military Medicine".

We intend to distribute these reprints to the
members of our Committee and the members of the Panel
on Medical Aspects of Atomic Warfare.

Sincerely yours,

Signed: James E. McCormack, MD.

JAMES E. MCCORMACK, M.D.,
Deputy Executive Director
Committee on Medical Aspects

Enclosure
E. F. Strauss
