PART I

ADMINISTRATION (U)

A. Mission and Responsibilities.

No change.

B. Acquisition of Physical Facilities.

No change.

C. Organization.

By OCCm10 General Orders No. 32 dated 10 November 1959, the U. S. Army Chemical Corps CBR Weapons School, a Class II activity assigned to the Commander of Dugway Proving Ground was redesignated the U. S. Army CBR Weapons Orientation Course. By letter dated 10 December 1959, file CMLWM-M-22 to U. S. Army Chemical Corps Proving Ground, Dugway Proving Ground, subject: "Implementation of Change in Designation, CBR Weapons School", the Commandant of the former School was designated the Commander of the CBR Weapons Orientation Course.

D. Development of Administrative Procedures.

No change.

PART V

OPERATIONS (S)

1. General Items

A. (U) Documents of historical value which are issued by this Headquarters, copies of which are forwarded as published to the Chemical Corps Historical Office and therefore, not included in this report are:

(1) Technical Program - U. S. Army Chemical Corps Research and Development Command - dated 1 June 1957 (CmlC Control No. 1376-57-S). This is the basic program document and remains in effect until rescinded or amended.

(2) U. S. Army Chemical Corps Research and Development Program - Technical Objectives, Program Guidance and Operating Policies, dated 16 December 1957. (CmlC Control No. 3445-57-S). This amended certain parts of the Technical Program Document.

(3) U. S. Army Chemical Corps Operation Program - Research and Development. This document is issued for each fiscal year. Current document for FY 60 is dated 16 July 1959 (CmlC Control No. 1843-59-S), and Annex C thereto, (CmlC Control No. 1844-59-S).

B. (U) Each quarter, this Headquarters issues for the Command, the U. S. Army Chemical Corps Research and Development Command, "Consolidated CBR Operating Schedules" for guidance during the quarter. Document for this reporting period is dated 1 October 1959. (CmlC Control No. 3510-59-S).

C. (U) This Headquarters participates with other elements of the Chemical Corps in a quarterly presentation to the Chief Chemical Officer which summarizes operations of this Command. A resume' of these presentations are prepared by the Comptroller, Office, Chief Chemical Officer, and a copy sent to the Office, Chief Chemical Officer, Historical Office.

D. (U) Not included in this report is a summary of the operations of subordinate elements of this Command since this is covered in the Historical Office.
