1. The attached modified proposal of contract DASA 01-69-C-0131 with the University of Cincinnati College of Medicine has been reviewed and determined to be unclassified. There is no objection to FOUO designation on STMD's correspondence.
2. COR states contractor will not require access to classified information, and reports generated by this contract will be unclassified. Therefore, classification guidance and review of DD Form 254 will not be required.
3. ISIP has no record of storage on facility clearance for this contractor.
4. This correspondence is marked FOUO solely because of STMD's DF, and the protective markings may be cancelled when separated.
