STAP

SUBJECT: Subtask Proposals for Nuclear Weapons Effects Efforts
Funded by Headquarters Defense Nuclear Agency

Director
Armed Forces Radiobiology Research Institute
Defense Nuclear Agency
National Naval Medical Center
Bethesda, Md. 20014

This letter forwards instructions applicable for the submission of Subtask Proposals for Nuclear Weapons Effects (formerly NWER, NWED or NWEI) efforts funded directly by HQ DNA. FY 1974 Subtask Proposals should be submitted to Director, DNA, ATTN: STAP, no later than 15 April 1972. Instructions applicable to efforts funded by a subordinate DNA command are provided by that command.

FOR THE DIRECTOR:
