MEMORANDUM FOR MEMBERS, DDR&E ADVISORY PANEL ON THE MEDICAL AND  
BIOLOGICAL SCIENCES

SUBJECT: Second Meeting - April 1963 - U. S. Army Chemical Research  
and Development Laboratory, Edgewood Arsenal, Maryland

1. In the executive session of the first meeting of the DDR&E Panel on the Medical and Biological Sciences, it was agreed that the Army would be host for our second meeting in the Spring of 1963, and the medical section of the U. S. Army Chemical Research and Development Laboratory, Edgewood Arsenal, Md., was tentatively selected as the host laboratory.

2. Through General Robert E. Blount, U. S. Army Medical Research and Development Command, preliminary arrangements have been made with the commander of that laboratory, Colonel Frank L. Bauer. The dates proposed for the second meeting are 19 - 20 April 1963 or 26 - 27 April 1963. The former date is preferred by the laboratory, but the latter is acceptable if it is more suitable to the majority of the Panel.

3. Please indicate below your personal preference for the date of the second meeting, and return your selection in the inclosed envelope.
