28 January 1954

MEMORANDUM FOR: Colonel R. W. Bunn, Chief
Entomology Section
Environmental and Sanitation Branch
Preventive Medicine Division

SUBJECT: The Genus Chaetopsylla Kohaut

I give up -- I certainly am not competent to review this article. Your people certainly write very learned articles. I haven't the slightest idea what she is talking about -- it must be very learned.

ADAM J. RAPALSKI
Colonel, M. C.
Executive Secretary
