

MEDDH

1st Ind

SUBJECT: RW Research

Dept of the Army, Office of The Surgeon General, Washington 25, D. C.,
7 July 1950

TO: Chief, Chemical Corps, Army Chemical Center, Maryland
ATTN: Chief, Chemical Corps Research and Engineering Division

The Medical Department concurs in the views expressed in 1st Ind referred to in basic communication, except that in paragraph 3 thereof, concerning review of medical programs and their adequacy, it is assumed that the Medical Department will make the reviews, as they are out of fields in which the Chemical Corps can be assumed to have competency.

FOR THE SURGEON GENERAL:

WILLIAM S. STONE
Colonel, Medical Corps
Chairman, Medical Research
and Development Board
