Dear Captain Bumgarner:

This is to acknowledge receipt of your memo dated February 14, 1994, identifying radiation experiments involving human subjects, in response to the SECDEF Memo of 7 January 1994, Human Radiation Research Review.

The Department of Defense has established the DOD Radiation Experiments Command Center (RECC), to collect, review, and categorize information regarding DOD involvement in human ionizing radiation experiments from 1944 to the present.

Please direct future information and inquiries regarding this matter to:

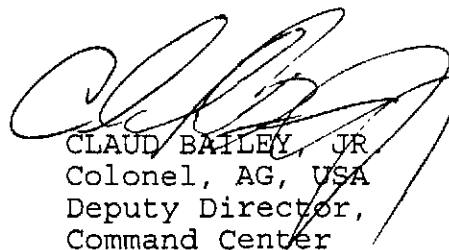

DOD Radiation Experiments Command Center (RECC)
6801 Telegraph Road
Alexandria, VA 22310-3398

Our commercial telephone number for interdepartmental matters is (703) 602-1365, and our fax number is (703) 602-5971.

We are presently developing a standardized database format to facilitate future transfers of project information to our office. This format will be provided to you when completed.

Thank you for your assistance in this important effort.

Sincerely,

CLAUD BAILEY, JR.
Colonel, AG, USA
Deputy Director,
Command Center
