AND EVALUATION

MEMORANDUM FOR ASSISTANT TO THE SECRETARY OF DEFENSE  
(ATOMIC ENERGY)

SUBJECT: *Locating Records of DoD Human Radiation Experiments, Initial Report*

This memorandum provides the Director of Operational Test and Evaluation (DOT&E) initial report on records of human radiation experiments.

DOT&E response to Part I is negative. There are no known DoD organizations under the authority of DOT&E that might have conducted or sponsored human radiation experiments. Therefore, there are no archives or records centers to identify, and no steps taken to search any records.

DOT&E response to Part II is negative. There are no known human radiation experiments to identify. Therefore, there are no human radiation records to identify or locate.

Please let me know if you require any additional information concerning this matter. You may contact me at telephone extension 695-1564 in room 3E333.
