12 June 1950

SUBJECT: Field Test of Sink, Field, Scrub (Experimental)

TO : Department of the Air Force
 Headquarters USAF
 Washington 25, D. C.
 Attn: Surgeon General, USAF

1. Herewith is copy of completed Memorandum Report on Field Test of Sink, Field, Scrub (Experimental), for your information.

2. The Sink, Field, Scrub was shipped to the Arctic Aeromedical Laboratory from Armed Services Medical Procurement Agency, Engineering Development Division, Fort Totten, New York, in the summer of 1949 for field testing. Testing was conducted during the winter of 1949-50, and Sink, Field, Scrub has been returned to Fort Totten, New York. Report was submitted to that agency on 12 May 1950.
