Lt. Col. Robert H. Blount  
Chief, Medical Research Division  
Office of the Surgeon General  
United States Air Force  
Pentagon Building  
Washington 25, D. C.

Dear Col. Blount:

According to our records, we have forwarded to you two hundred (200) copies of the report "Tabulation of Available Data Relative to Radiation Biology."

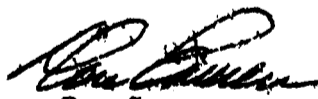

We would like, insofar as possible, to maintain a record of the distribution of this report. Our purpose for making this request is as follows:

1. To sample the interest reflected in this type of work.
2. Of those who have an interest, we would like their remarks and references in order that they may be incorporated in subsequent reports of this nature.
3. A number of copies have been distributed from this office, and we would like to hold duplication to a minimum.

Any distribution record that you can give will be sincerely appreciated.

Very truly yours,

NEPA Division
