Acting Chief, Medical Research Division
Office of The Air Surgeon
Department of the Air Force
Headquarters United States Air Force
Washington, D. C.

Dear Colonel Blount:

Thank you for your letter of 20 September 1948. I feel that we are accenting a very difficult task, and hope that we will be able to have a proper contract soon. I shall carry our preparations as far as I can without the contract.

Yours very truly,

Loren D. Carlson
