Dr. Harold Cummins, Chairman  
Committee on Admissions  
School of Medicine  
Tulane University  
President Rufus C. Harris

Dear Dr. Cummins:

Thank you for sending me the report of the Committee on Admissions of the School of Medicine on its work for the 1950-51 session. I was very interested in seeing it. I appreciate your sending me the extra copies and shall distribute them. Prepared a rather extensive report on its work of the 1950-1951 session, concerned with selection of the class that will enter in September, 1951. Twenty-five copies of the report are enclosed for your use and for transmittal, if you see fit, to the Administrators or others within the University who may be interested in our problems of medical admissions.  
Yours very truly,  
RUFUS C. HARRIS

At its meeting of April 3 the Executive Faculty of the School of Medicine approved the report, in which copies had been distributed to each member for study in advance of the meeting.

Sincerely,

*Harold Cummins*
