Dear Roger:

I received your letter containing the tentative schedule for the work conference on "Dosimetry in Total Body Photon Irradiation of Man". The schedule appears satisfactory as far as we are concerned. I would add the following two names to the presentation which we intend to make. The co-authors should be Kereiakes, J.G., Bahr, G.K., Saenger, E.L. I would plan to arrive late Wednesday night, February 22. I would leave as soon as possible after the meeting on Friday afternoon. So I would need reservations for two nights, preferably a single and indicating late arrival on Wednesday night. Thank you very much for your cooperation on this matter.

Sincerely,

James G. Kereiakes, Ph.D.
