

from Joyce E. 1/5/72

re: radiology etc.

Grant from 1960 to present totals
\$651,482.79.

Used specifically for: DOD funded portion
of the project consists of detailed
biochemical analysis of hematological and
urine samples and psychological evaluation
of the patient undergoing treatment.

(from Saenger - above is best spelling out
he knows of project)

From Dr. Gall -- for equipment and testing
both ~~in~~ laboratory and psychological of
the personnel involved.
