

# DISPOSITION FORM

ARM2.941209.156

FILE NO.	SUBJECT
	REQUIRED X-RAY PROCEDURE

TO	ALL PERSONNEL	FROM	THE DENTAL SURGEON Fort Knox, Ky.	DATE	8 November 1961	COMMENT NO. 1
----	---------------	------	--------------------------------------	------	-----------------	---------------

1. This office has had reported repeated demonstrations of excessive assimilation of Ionizing radiation by individuals assigned to, working with, or associated with the x-rays sections. The following procedure will be adhered to by all individuals assigned to or working in the X-ray sections in all clinics.

- a. The individual exposing the film to the X-ray will ascertain that no other person than the patient is in the room at the time of exposure.
- b. The individual will wear the required Film Badge on his outer garment at all times.
- c. He will assure himself that the timer mechanism is permanently attached to the safe-side of the protective lead screen.
- d. He will personally activate the timer switch while completely and fully protected behind the lead screen and will under no circumstances permit anyone other than himself to activate the timer switch.

2. This information will be read by all personnel and will be signed by them as having read and fully understood this required procedure.
