Hq USAF (SGPAAP)  
AFLC (SGPR)  
IN TURN

AIR1.941130.050fa

1. The attached application for the use of Indium-111 DTPA for cisternography is submitted for your review and approval in accordance with AFR 160-124. Since the use of Indium-111 DTPA is currently under clinical investigation by the manufacturer, Diagnostic Isotopes Inc., this application is also submitted for your review and approval in accordance with AFR 169-6, "Clinical Investigation."

2. The attached proposal has been reviewed and approved by the Institutional Review Committee and the Medical Isotopes Committee at the USAF Medical Center W-P.
