HO USAF/SGPR
Office of the Surgeon General
Forrestal Building
Washington, D.C. 20314

1. Enclosed find proposal from Capt Louis A. Mitchell entitled "Comparison of Continuous Catheter Spinal Anesthesia with Single Dose Spinal Anesthesia for Transurethral Resection of the Prostate" for consideration by the Surgeon General's Council for approval under AFR 169-6.
2. The proposal has been approved by the Medical Center Research Committee and is recommended highly for favorable action.
3. This proposal is considered a potentially important contribution to the Clinical Research Program.
4. This proposal will be supported out of Clinical Research Operating Monies.

Respectfully

JOHN J. McPHAUL, Jr., Col. USAF, MC
Director of Research
Aerospace Medical Laboratory (Clinical)
