a. Letters of certification were received from Departmental Chairmen that they have reviewed consent forms and related programs with their respective investigators and that investigators are complying with regulations. Col. Spivey stated that in the future the following would be required of the Department Chairmen:

- (1) Review consent forms
- (2) Review investigators workbook
- (3) Discuss progress of the study to date.
- (4) Certify in writing monthly to this Committee

that such has been the case.
