

SGRD-UE-EMT (70)

20 April 1993

MEMORANDUM THRU Chief ^{MMS} Thermal Physiology & Medicine Division, EPMD
FOR Commander, USARIEM

SUBJECT: Principal Investigator Supervision for HURC #400

1. Neither I nor my alternate principal investigator, Dr. Michael Sawka, will be able to supervise a scheduled heat acclimation session from 1300-1500 h, 20 April 1993.

2. I request that CPT Beau Freund serve as principal investigator and supervise the acclimation session during that time.
