All(SS) (082)

21 February 1946

WASHINGTON 25, D. C.

NAV1.970319.007

To: Medical Officer in Charge, Medical Research Laboratory,
U.S. Submarine Base, New London, Connecticut

Via: The Commanding Officer

Subj: BuMed Research Project X-434 (Sub.No. 90) (b) "Aero-
Otitis Media in Submarine Personnel: Relation of
Dental defects and Malocclusion to Eustachian Tube
Failure," reports no. 1, 2, 3, and 4.

1. The receipt of subject reports is acknowledged and approved herewith.
2. Section (b) of subject project is hereby terminated.
3. The proposed distribution list is approved with the recommendation to include each of the Naval Shore based activities concerned with pressurizing candidates for diving and submarine training and also those indoctrinating aviation personnel in altitude chambers.
4. It is considered that subject project reports are meritorious contributions in the field of aerotitis media.

By direction of the Chief, BuMed:

H. W. Smith

H. W. SMITH
Rear Admiral (MC) USN
