Serial

18 December 1944.

Captain E. W. Brown, (MC) USN (Ret.)
Research Division, Bureau of Medicine and Surgery
Navy Department, Washington, D.C.

Dear Captain Brown:

Some time ago, we received the Form-X
for the Project X-454-b, assigning Lieut. Wm. J. Kelly, (DC)
USNR to the aero-otitis media project which is being undertaken
at this laboratory. Work is progressing and we are wondering
where Doctor Kelly is, --having never heard anything further
concerning his coming, except to receive an official letter
from Washington, addressed to Doctor Kelly at this Base.

Would you be so kind as to make some discreet
inquiries for us and see what happened to him?

Kindest personal regards.

Most sincerely,

G. W. Shilling
Captain, (MCO, U.S. Navy.
