Re: Contract No. DA-49-007-MD-533

Dear Dr. Rhoads:

Reference is made to my letter of 11 July 1955 concerning renewal of the above cited contract.

I understand that this matter has been discussed between Mr. White of your Fiscal Office and a representative of our Contracting Office. Apparently, the plan is to extend the above cited contract to 30 June 1955 with funds in the amount indicated by the total of your vouchers between 1 April 1955 and that date. A new contract is to be negotiated for a 9 month period beginning 1 July 1955. The amount of funds available in the new contract will be the difference between your original request and that necessary to terminate the old contract.

Fourteen copies of semi-annual reports are required. The following legend should appear in the upper right hand corner of the respective cover sheets as indicated:

- a. "AFSMP-958" for the period 1 April through 31 October 1955.
- b. "AFSMP-959" for the period 1 November 1955 through 31 March 1956.

Reports should be received in this division not later than 10 days following the end of the period reported upon.

Should you desire to request renewal of the contract, it is requested that you furnish your renewal proposal to this office not later than 15 February 1956 in order that we may obviate any difficulties in renewal procedures.

Yours very truly,

Copy furnished:
