Dr. J. B. H. Kuper
Brookhaven National Laboratory
Upton, New York

Dear Dr. Kuper:

As usual, you and your group made a very excellent presentation to the Advisory Committee for Biology and Medicine. Obviously, you have an enthusiastic group of scientists who are as capable as they are enthusiastic. This is a hard combination to get together. You are to be congratulated. Please pass this on to Dr. Higinbotham, Dr. Gemmell, Dr. Carsten and Mr. Smith.

Kindest personal regards.

Most sincerely,

C. W. Shilling, M.D.
