Subject: MEETING IN OAK RIDGE OF THE ADVISORY COMMITTEE FOR
BIOLOGY AND MEDICINE, AEC, NOVEMBER 13-14, 1959.

Dear Dr. Ewing:

The Division of Biology and Medicine, Headquarters, has requested us to arrange for the November meeting of the AEC Advisory Committee for Biology and Medicine to be held in Oak Ridge. The Committee is much interested in the current work of the University of Tennessee-AEC Agricultural Research Laboratory and in the medical field that of the ORINS Medical Division, and it has been recommended that these two Oak Ridge installations offer programs for the ACBM covering highlights of project accomplishment on the following schedule:

1. Friday, November 13, 1959
Oak Ridge Institute of Nuclear Studies, Medical Division.
Research and Clinical Training Presentations. Entire Day.
2. Saturday, November 14, 1959
A. W. University of Tennessee-AEC Agricultural Research
Laboratory project presentations. 9:00 - 12:30.

Saturday afternoon, November 14, will be utilized by the Advisory Committee for its executive session.

For your information, the Advisory Committee for Biology and Medicine is composed at the present time of the following:

Dr. Simeon Cantrel, Chairman
Director of the Tumor Institute, Swedish Hospital
Seattle, Washington

Dr. John C. Bugher, Director, Medical Education and Public Health, The Rockefeller Foundation, New York, New York

Dr. H. Bentley Glass, Professor of Biology
The Johns Hopkins University
Baltimore, Maryland

Dr. James G. Horsfall, Director
Connecticut Agricultural Experiment Station
New Haven, Connecticut

Dr. Robert F. Loeb, Bard Professor of Internal Medicine, Emeritus
College of Physicians and Surgeons
Columbia University
New York, New York

Dr. Leonidas D. Marinelli, Associate Director
Division of Radiological Physics, Argonne National Laboratory
Lemont, Illinois

Dr. Marlan G. Wood, Chairman, Department of Biochemistry
Western Reserve University
Cleveland, Ohio

Dr. Henry I. Kohn, Scientific Secretary, Clinical Professor of
Experimental Radiology, School of Medicine, University of
California Medical Center
San Francisco, California

We believe it will be very helpful to the Committee and of benefit to your program if you can present a review of your work on Saturday morning, November 14, 1959. Some members of the ACBM are new and have not visited Oak Ridge for quite some time and they will all be intensely interested in your accomplishments and progress. We will provide transportation to enable the Committee to reach the UT-AEC Laboratory promptly on Saturday morning. Their executive session in the afternoon will probably be held in the ORINS Administration Building.

We will be pleased to have your comments. An agenda for the Saturday morning meeting with the Committee may be transmitted to us in order that we may inform the Division of Biology and Medicine.

F 201

Dr. John A. Ewing
